We have audited the accompanying financial statements of The Pink Fund (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Pink Fund as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on page 10 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The Pink Fund, Inc. (the "Corporation"), a non-profit corporation founded in Michigan, is dedicated to provide short-term financial aid to women and men who are in treatment and recovery for breast cancer.

Financial Statement Presentation

The Corporation reports information regarding its financial position and activities according to three classes of net assets (unrestricted net assets, temporarily restricted net assets and permanently restricted net assets), based upon the existence or absence of donor-imposed restrictions.

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United State of America.

Recognition of Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. The Corporation reports contributions of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statements of activities as net assets released from restrictions.

Cash Equivalents

For purposes of the statements of cash flows, the Corporation considers all short-term securities purchased with maturities of three months or less to be cash equivalents.

Tax-Exempt Status

The Corporation is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and is not classified as a private foundation by the Internal Revenue Service.

Contributions Receivable

The Corporation doe not have any pledges receivable as of June 2017. All pledges for fiscal year 2017 were due in fiscal year 2017. Management believes all pledges receivable to be collectible as of June 30, 2017; accordingly, no allowance for doubtful accounts has been established.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fixed Assets

Fixed assets are recorded at cost and are depreciated over their estimated useful lives, which range from three to forty years, using the straight-line method of depreciation. The Corporation's policy is to capitalize acquisitions of \$3,000 or more.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on a percentage of direct personnel costs.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Compensated Absences

Compensated absences are an insignificant total of overall expenses, therefore, the Company does not accrue them.

Temporarily restricted net assets are available as of June 30, 2017 for the following purposes:

Restricted for program activities:

NOTE D - CONTRIBUTED SERVICES AND IN-KIND CONTRIBUTIONS

The Corporation recognizes contribution revenue for certain services received at the fair value of those services, provided the services create or enhance nonfinancial assets or require specialized skills, which are provided by the individual possessing those skills and would typically need to be purchased if not provided by donation.

All contributed goods and services are valued at their estimated fair value on the date of donation.

Volunteers

Volunteers contributed 785 hours as office assistants and on the qualified recipient committee in fiscal year 2017. The fair value of contributed services received, but not recognized as revenues is \$11,775.

Rent expense for the period ending June 30, 2017 was \$4,812.
